

Welcome to Presentation of Mary Academy! Admission to PMA is an honor and a privilege. The time spent at PMA is meant to be educational, informative, rewarding, fun, and safe. The enforcement of general guidelines is the school's way of supporting all who attend this school. Students are to be respectful and courteous to the school staff and to each other during the school day or while attending school-sponsored (home or away) events. Appropriate conduct is necessary for the safety and sense of security for the entire PMA Community. Disrespect will not be tolerated and inappropriate behavior will lead to corrective measures. Misbehavior includes the use of profanity, gossip, classroom disruptions, and truancy.

The education of your child is a partnership between you and the school. If, in the opinion of the administration, that partnership is irretrievably broken, the school reserves the right to require you to withdraw your child.

The best way for parents to deal with concerns is to first approach the person with whom there is a problem. Thus, if the concern is about something a teacher has done, approach the teacher first. Only after efforts to deal with the teacher have failed should an administrator be contacted.

One of the goals of Presentation of Mary Academy's educational program is to encourage independence and responsibility, characteristics of the mature person. An orderly atmosphere is essential if learning is to take place. These guidelines are for the personal welfare of the student, as well as for the common good of the entire school. A constant respect for persons whether they are teachers, students, visitors, or others is a basic requirement of Christians for a Christian Community. A respect for personal and community property is a visible sign of this respect.

This booklet introduces the many services, school rules, and procedures that constitute a part of the total educational process at PMA.

Remember, success in this school will be directly proportional to your efforts and involvement. In addition to serious academic work, a well-rounded student will take part in school activities, clubs, organizations, sports teams, volunteer work, and extracurricular programs. To bring about unity and to provide for the smooth operation of PMA, it is imperative that parents, teachers and students agree on certain rules and regulations to proceed effectively during the school year.

Please thoroughly review the student policies so that PMA will be a special place for each and every one. *It is the responsibility of parents and students to know and read the handbook.*

Rose Maria Redman, Head of School

## ABSENCES

### Excused absences may include:

1. Death in the student's immediate family (Parent/Guardian note required)
2. Prolonged illness of the student documented by a doctor's note.\* (Please note below)
3. Doctor or dental appointments that could not be scheduled outside of the school day. When emergency medical visits during the school day are necessary, a student should only be away for the time of the appointment, and should return to school immediately after his/her appointment. **Verification of the appointment, in the form of a medical note is required before the tardy or absence can be considered "excused."** **Final decisions regarding failures for the quarter rest with the Head of School.**
4. Religious observances (parent/guardian note required)
5. Court appearances (Documentation required)
6. Students scheduled for driver's license test must show documentation to have it excused.
7. College visits must begin with a college visitation form from the Guidance Counselor. A parent/guardian and the Assistant Principal must sign the form. Students must also obtain a signed note from the college they visit. A maximum of two college visits for seniors only are not recorded as absences.

***A note from home does not automatically excuse a student. The Assistant Principal makes the final decision. Teachers are not required to make any special arrangements or provide special instruction for students with unexcused absence. If a pattern of absences coincides with the scheduling of exams, tests, quizzes, papers, etc., an academic penalty will be imposed on the student. The academic penalty may result in the reduction of a student's grade.***

**Please note – excused absences are still recorded on the student's record.**

**Chronic Absences** : Seven (7) unexcused absences from school or any class during a quarter may result in losing 5 points in the particular subject area for the quarter. Final decisions regarding failures for the quarter rest with the Administration.

The Assistant Principal will address chronic absences, even with a doctor's note, on a case-by-case basis. Extended time out, even due to illness, may affect a student's grades, participation in school activities and/or promotion. A parent call will be made at 3 absences in a quarter. A parent conference will be set up at 4 absences in a quarter to develop an appropriate educational plan.

If a student accumulates 15 or more absences for any reason in a given class for the school year, the student will be subject to review to determine whether credit for that class will be granted.

## ACADEMIC PROBATION

Any student whose cumulative yearly average in a subject falls below 70 by midpoint of the academic year is placed on academic probation. The student must meet with the teacher to develop a plan for success. The counselor will facilitate the process. When a student is on academic probation they will not be able to participate in extracurricular activities until the plan for success is developed. If the student is still failing by the end of the next marking period, the recommendation may be made for the student to withdraw from PMA.

## ADDING/DROPPING COURSES

**Course selection:** Students will receive their course selections in the spring. Sometimes, situations arise in which students do not receive their first choices in their schedule. Many times this is unavoidable due to the many singleton offerings that occur. Students are placed in classes based on their average in class.

Course changes are not allowed after the last week of September unless there is a serious reason necessitating a change. All requests for course changes during that time must be made by the student, his/her parents, and/or the subject teacher through the School Counselor. No course change will be made after midpoint in the year.

## ADMISSIONS

Students seeking admission to PMA as **8<sup>th</sup> graders** must complete the following steps:

- Take the High School Placement Examination
- Submit an application.
- Forward transcripts and recommendations from the school currently attending for interview.
- Eighth grade applicants must adhere to the deadlines published in the application packet.

Students applying for **transfer** admission must submit:

- an application
- transcripts and recommendations
- any and all relevant standardized testing
- schedule and complete a family interview

**International** students must complete:

- an application for admission
- submit an official transcript translated into English
- proof of English proficiency (TOEFL or SLEP score)
- an interview via skype or in person.

Transfer applicants are considered prior to midpoint.

## ADVANCED PLACEMENT EXAMS

The Advanced Placement Exam is a three to four hour multiple choice and essay exam. The exams measure a student's mastery of introductory level college material in a particular subject. A student who receives a grade of 3 or higher on an AP exam may be able to receive credit for the equivalent courses at some colleges. College and university policies regarding advanced placement credit vary. Students are advised to obtain information regarding the policy at each college they are considering. Students taking an AP course are required to take the AP exam.

## ANNOUNCEMENTS

Announcements are made during homeroom and at the end of the day. Written announcements are to be left in the Assistant Principal's office. All student announcements **must** have a staff or faculty signature.

## ASBESTOS REINSPECTIONS

In compliance with the U.S. Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act, (AHERA) inspections of our school buildings were conducted in the spring of 2016 for asbestos-containing building materials. The inspection's findings and asbestos management plans are on file in the business office. The EPA requires us to schedule re-inspections of the asbestos materials every three years. The results of the re-inspection are on file. All asbestos materials in this school are in good condition, and we will continue to comply as recommended by the accredited management planner.

## ATHLETIC PROBATION

Any student who is failing one or more subjects at midpoint or end of quarter will be placed on athletic academic probation. A student on athletic probation will be suspended from games and practices until the student and teacher create a plan for improvement. When the teacher feels there is significant improvement the student will be allowed to play or practice.

## ATTENDANCE

Presentation of Mary Academy believes that regular and punctual attendance is important for the success of students in school. Since there is a direct relationship between attendance, grades, and success in school, PMA insists that students maintain a good attendance record. Attendance is from 7:35 a.m. to 2:00 p.m. every school day and is absolutely necessary for the successful completion of the PMA program. The first bell rings at 7:25 and students **must be in their homerooms by 7:35 a.m.** prayer, pledge of allegiance, and announcements are made daily at 7:36 a.m.

## **ATTENDANCE PROCEDURES:**

1. If a student is absent from school, a parent or legal guardian must contact the office before 8:15 a.m. at (978) 682-9391 extension 100.
2. When absent, responsibility for completing the work missed rests solely on the student. The time frame to complete missing work is up to the discretion of the teacher. Each teacher informs the students at the beginning of the school year with his/her expectations regarding make-up work. Final decisions regarding make up work will rest with the administration.
3. Students who know they will be absent, dismissed or late, excused or unexcused, must bring in a note signed by a parent or guardian at least one day prior. Extended absences require a note from the parent or guardian indicating dates and reason for the absence. The note must be given to the Assistant Principal first. Upon receiving her signature, signatures of all the student's teachers must be obtained and returned to the office.
4. Students arriving to school after 10:45 a.m. or dismissed from school after 10:45 a.m. will be recorded as having a half-day absence.
5. Students absent from school are **not allowed** to participate in after school activities, sporting events or come to school after 2:00 pm.
6. Absences and tardies are included on transcripts, which are part of the college application process.

**Extended Holidays:** PMA understands the importance of family events, but we emphasize the importance of school attendance for students who are preparing for college. Such absences will be considered unexcused. If parents/guardians choose to extend a vacation beyond what the school calendar allows, they are jeopardizing their child's learning and grades.

## **AUTOMOBILES**

Students driving cars to school must register them yearly with the office. The **SPEED LIMIT** on the grounds is 10 mph. Recklessness will result in the withdrawal of a student's permit to drive the vehicle on the grounds. No student is to be in a car at any time during the school day.

**PARKING/REGISTRATION** - Student parking is located around the perimeter of the Dupré Sports and Arts Center. There is no parking in front of the garage or in the visitor lot. Students may not park in the faculty lots. Students **must** register any cars that they drive with the office.

## **BULLYING**

At PMA, we expect that all members of our school community will treat each other with civility and respect. It is the policy of PMA to provide and maintain a learning environment that is free of bullying and any other verbal, physical, or electronic misconduct that disrupts the learning environment or makes it unsafe. The PMA Bullying Prevention and Intervention Plan is published in response to the recently enacted Massachusetts law against bullying and is an integral part of our efforts to promote a safe learning environment and to prevent behavior that can impede the learning process or cause harm to our students. This plan is to be applied in accordance with the school's "Nondiscrimination Policy," which appears in the student and staff handbooks. This plan is consistent with broader protections at PMA against discrimination, harassment, hazing, and retaliation. It is intended (1) to prevent bullying and cyber-bullying among our students, (2) to encourage students and their parents to have confidence in PMA's procedures and to come forward promptly whenever a student is subject to conduct that is prohibited by this or any other PMA policy; and (3) to implement appropriate discipline and other corrective measures when they are found to be warranted.

## **PRESENTATION OF MARY ACADEMY BULLYING PREVENTION AND INTERVENTION PLAN**

### **1. Introduction**

At PMA, we expect that all members of our school community will treat each other with civility and respect.

It is the policy of PMA to provide and maintain a learning environment that is free of bullying and any other verbal, physical, or electronic misconduct that disrupts the learning environment or makes it unsafe.

The PMA Bullying Prevention and Intervention Plan, set forth below, is published in response to the recently enacted Massachusetts law against bullying and is an integral part of our efforts to promote a safe learning environment and

to prevent behavior that can impede the learning process or cause harm to our students. This Plan is to be applied in accordance with the school's "Nondiscrimination Policy," which appears in the student and staff handbooks.

This Plan is consistent with broader protections at PMA against discrimination, harassment, hazing, and retaliation that appear in our student and staff handbooks. It is intended (1) to prevent bullying and cyber-bullying among our students, (2) to encourage students and their parents to have confidence in PMA's procedures and to come forward promptly whenever a student is subject to conduct that is prohibited by this or any other PMA policy; and (3) to implement appropriate discipline and other corrective measures when they are found to be warranted.

It is important that this Plan be well understood by all members of the PMA community. The Head of School is responsible for the implementation and administration of the Plan. Questions and concerns related to this Plan may be referred to the Head of School.

## **2. Policy against Bullying, Cyber-Bullying, and Retaliation**

PMA will not tolerate any form of bullying or cyber-bullying, nor will we tolerate retaliation against any person who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying.

Bullying and cyber-bullying are prohibited on school grounds and at school-sponsored events, activities, functions, and programs. Bullying and cyber-bullying also are prohibited on school buses and other vehicles owned, leased, or used by PMA, and through use of technology or an electronic device owned, leased, or used by PMA.

In addition, bullying and cyber-bullying are prohibited at a location, activity, function, or program that is not PMA-related or through the use of technology or an electronic device that is not owned, leased, or used by PMA, if the bullying creates a hostile environment at PMA for a targeted student, infringes on the rights of a targeted student at PMA, or materially and substantially disrupts the educational process or the orderly operation of PMA.

**Definitions.** The terms used in this policy are defined as follows:

**Bullying.** Bullying is defined as the repeated use by one or more students of a written, verbal, or electronic expression or a physical act or gesture of any combination thereof, directed at a target that:

- Causes physical or emotional harm to the targeted student or damage to the targeted student's property;
- Places the targeted student in reasonable fear of harm to himself or herself or of damage to his or her property;
- Creates a hostile environment at school for the targeted student;
- Infringes on the rights of the targeted student at school; or
- Materially and substantially disrupts the educational process or the orderly operation of the school.

**Cyber-bullying.** Cyber-bullying is bullying through the use of technology or electronic devices such as telephones, cell phones, computers, fax machines, and the Internet. It includes, but is not limited to, e-mail, instant message, text messages, and internet postings, whether on a web page, in a blog, or otherwise.

**Hostile Environment.** A hostile environment is a situation in which bullying causes the school environment to be permeated with intimidation, ridicule, or insult that is sufficiently severe or pervasive to alter the conditions of a student's education.

**Retaliation.** Retaliation is any form of intimidation, reprisal, or harassment directed against a student who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying.

Some examples of Bullying and Cyber-Bullying:

**Bullying:** Bullying can include, but is not limited to, any of the repeated events defined as follows:

- a. hitting, slapping, pushing, and other physical conduct that causes bodily harm.
- b. teasing or threatening in a manner that puts someone down or is cruel.
- c. deliberately excluding someone, spreading rumors, psychological manipulation, and other actions that hurt someone's feelings or demeans the person.
- d. sexually harassing conduct.
- e. hazing activities.

**Cyber-bullying:** Cyber-bullying may include, but not be limited to, any of the following kinds of repeated behaviors:

- a. forwarding or threatening to forward a private email, instant message or text message to embarrass or intimidate a person.
- b. spreading hurtful rumors online about another person.
- c. threatening or insulting through aggressive emails, instant messages, or text messages.
- d. posting, or threatening to post embarrassing pictures of someone online without his or her permission.
- e. creating a web page or blog

**Legal Definitions and PMA Policy.** It is important to bear in mind that stricter standards of behavior than those provided by law may apply under PMA's policies in order that we may prevent inappropriate conduct before a student has been subject to bullying as it is defined under the law. For example, although the law defines bullying as "repeated use" of certain expressions, acts, and/or gestures, PMA reserves the right to apply disciplinary measures and other corrective action in a case of a single expression, act or gesture, if PMA determines that it consists of sufficient severity to warrant disciplinary measures or other remedial action.

### **3. Prevention of Bullying and Cyber-bullying**

From the beginning of their time at PMA, students learn that as members of our community they have a right to be treated with civility and respect. Our statement of purpose emphasizes respect for differences, and teachers are clear in their expectations for student behavior. When necessary, parents are notified and asked to reinforce standards for membership in the PMA community.

The handbook is reviewed with students and shared with parents each fall. This handbook includes explicit policies around expectations for appropriate behavior including the acceptable use of technology at PMA.

Staff members are trained annually regarding the Presentation of Mary Academy Bullying Policy. Staff members make sure that students are well informed about what is expected of them and to reinforce positive conduct.

The administration and faculty recognize that it is essential that expectations for student conduct extend to the classroom, the cafeteria, the library and other places of study, the locker rooms, athletic practices, social events, buses and the like. PMA strives to ensure that appropriate adult supervision is provided on PMA premises, on PMA-provided transportation throughout the school year as well as at PMA sponsored events.

### **4. Reports of Bullying, Cyber-Bullying, or Retaliation**

Any student who is the target of bullying, cyber-bullying or retaliation or has witnessed an incident of bullying, cyber-bullying or retaliation or otherwise has relevant information about such conduct is strongly encouraged to promptly report the matter orally or in writing to the Assistant Principal or Head of School, or to any other faculty or staff member with whom the student is comfortable speaking. A parent of a student who is the target of bullying, cyber-bullying or retaliation or of a student who has witnessed or otherwise has relevant information about such conduct is strongly urged to promptly notify the Head of School. Furthermore, any parent who has witnessed bullying, cyber-bullying or retaliation or has relevant information concerning such conduct is strongly urged to promptly come forward to the Head of School.

Any member of the faculty or staff of PMA who witnesses or otherwise becomes aware of bullying, cyber-bullying or retaliation in violation of this policy is required to report it immediately to the Head of School. A member of the faculty or staff may not make promises of confidentiality to a student or parent who informs him/her of an allegation of bullying, cyber-bullying or retaliation.

Faculty and staff may not make reports under this policy anonymously. Students and parents may make reports anonymously, but generally, no disciplinary action will be taken based solely on an anonymous report. Although there are circumstances in which an anonymous report can be better than none at all, it is far more difficult to determine the facts of what occurred if complaints are made anonymously. Also, while PMA cannot promise strict confidentiality, because some information must be shared in order to conduct an effective investigation, PMA releases information concerning complaints of bullying, cyber-bullying, and retaliation only on a need-to-know basis in order to conduct an effective investigation or to ensure that the requirements of this policy and applicable law are met.

Any student who knowingly makes a false accusation of bullying or retaliation shall be subject to disciplinary action.

## 5. Responding to a Report of bullying, cyber-bullying or retaliation

- A. **Preliminary Considerations.** When a complaint of bullying, cyber-bullying or retaliation is brought to the attention of the Head of School, an assessment is made as to whether any initial steps need to be taken to protect the well-being of students and to prevent disruption of their learning environment while the investigation is being conducted by the Administration. As appropriate, strategies such as increased supervision may be implemented to prevent further bullying, cyber-bullying or retaliation during an investigation.
- B. **Notification of Parents.** It is the policy of PMA to notify the parents of any student who is found to be a target of bullying, cyber-bullying, or retaliation and the parents of any student who is found to have engaged in such behavior promptly after a determination has been made.
- C. **Investigation.** An impartial investigation of the complaint will be promptly conducted by the Administration. All students are expected to cooperate fully with any investigation under this policy. Failure to cooperate with any PMA investigation can result in disciplinary action. The investigation may include (but will not necessarily be limited to) interviews with the person who made the complaint, with the student who was the target of the alleged bullying, cyber-bullying, or retaliation, with the person or persons against whom the complaint was made, and with any students, faculty, staff or other persons who witnessed or who may otherwise have relevant information about the alleged incident.

Depending on the circumstances, the Administration, while conducting the investigation also may choose to consult with others, including teachers and/or the School Counselors. Searches of lockers, backpacks or other containers, electronic systems and devices may be made with the help of the Head of School and the Assistant Principal.

### D. **Resolution, Notification, and Follow-up**

The goal of an investigation and any disciplinary or other remedial process is to correct the situation to the extent it is reasonably possible and to take such steps as can be taken to prevent a repetition of the prohibited behavior and to prevent the student or students targeted and others who participated in the investigation from being subject to retaliation.

Following interviews and any other investigation undertaken, as PMA deems appropriate, the Administration will determine whether and to what extent the allegation of bullying, cyber-bullying, or retaliation has been substantiated. If it is determined that the policy set forth in this Plan or any other PMA policy has been violated, the Head of School, usually with the help of the Assistant Principal will determine what disciplinary action and/or other remedial action is appropriate, balancing the need for accountability with the need to teach appropriate behavior. The full range of discipline outlined in the handbook may be taken against a student found to have engaged in bullying or retaliation. In appropriate circumstances, such as when a crime may have been committed or a child may have been subject to abuse or neglect of the type that is reportable under Massachusetts laws, law enforcement or another appropriate government agency will be notified immediately. In addition, if a reported incident involves students from another school, PMA will notify the Head of School or designee of the other school of the incident so that such school may take appropriate action.

Upon completion of the investigation, the Administration will meet individually with the student or students who were the target of the alleged incident and the student or students against whom the complaint was made. The Head of School will communicate with their parents to report the results of the investigation and, where disciplinary or other corrective action is determined to be appropriate, to inform the parties of the steps that will be taken to correct the situation.

Follow-up contacts will be made with any student found to have been targeted or retaliated against in violation of this policy and his/her parents to inquire as to whether there have been any further incidents.

### **Collaboration with Families**

Each year PMA will inform parents and guardians about its bullying prevention and intervention plan. This plan will be reviewed on a yearly basis.

## CAFETERIA

Lunch is provided on a daily basis. Soups, salads, and sandwiches are available for purchase. There is also a full line of drinks. Refrigeration and microwaves are available for student use. Student behavior and manners in the lunch room should reflect courtesy and respect for all. Students *must* leave tables clean. During lunchtime, students may sign out to use the bathrooms outside of the kitchen area of the cafeteria. Students should enter the cafeteria at the elevator entrance, but may exit out of either end of the cafeteria. Vending machines are closed during the last 5 minutes of lunch. *No food or drinks, with the exception of water, should be taken out of the cafeteria.*

**EZ School Lunch Program.** Parents may preload money into their child's lunch account to avoid the need to pay cash in the cafeteria. Using the EZ parent portal allows parents to track their child's spending, add money, and view their meals. Payments must always be up to date for students to use the system.

## CALENDAR

PMA calendars are sent to each family at the beginning of the school year and are posted on our website. Parents and students should familiarize themselves with the calendar to avoid attendance problems.

## CELL PHONES

Cell phones may not be used during the school day, unless authorized by the teacher for classroom use, or they will be confiscated. Cell phones must be turned off during school hours. Leaving phones in backpacks or purses is done at the student's own risk. Any cell phone that becomes visible or heard by an adult during the course of the school day (7:25 a.m. –2:00 p.m.) will be confiscated. Staff members should secure the phone until it can be brought to the Assistant Principal office.

## CHANGE OF ADDRESS

The school should be notified immediately when a change of address, telephone number, or email occurs for home or work.

## CHEATING

Cheating is defined as the unauthorized use of materials or the copying and/or giving of answers to tests, homework, etc. A student who is absolutely and without question caught in the act of cheating is given a "0%" for that assignment. There is no opportunity for re-doing the work. The teacher will notify the parent of the incident. If necessary, the student, parents, Counselor, and Assistant Principal together develop strategies to avoid a future repeat of this behavior. Cheating will result in student probation or suspension from any leadership position in the school depending upon the seriousness of the offense.

The following are some examples of cheating offenses:

1. Copying from or the allowing of copying of: homework, assignments, test or quizzes, **with or without** the knowledge or consent of another person.
2. Using any unacceptable aid strategy (ex. cheat sheets) during a test and/or quiz.
3. Giving another student unauthorized help during a test or quiz.
4. Plagiarizing: The copying of another's work, writing, thoughts, or ideas without giving credit (citations) to the author. This includes information from either print or Internet sources.
5. The sharing of tests, answers, or teacher edition texts and materials.
6. Misuse of internet sources
7. Texting while in class
8. Any student cheating on PSATS, SATS, ACTS, or any standardized tests is subject to suspension or expulsion.

Plagiarism is defined as the attempt to pass off as one's own the work (assignments, papers, notes, material off the Internet, or foreign language translators, etc.) of another. This is a serious academic dishonesty and no credit is given for plagiarized work. It is the responsibility of the teacher to prove to the administration that plagiarism has occurred. If the administration is satisfied with the proof and the student has had an opportunity to be heard, the parents are contacted. The student, parents/guardian, and Assistant Principal together develop strategies to avoid a future repeat of this behavior. If a student knowingly assists a plagiarist by giving out work, that student

is handled in a similar manner. In all cases there is no opportunity to re-do the work and a “0%” is given for all plagiarized material. Second offense will result in an out of school suspension.

## **CONCUSSION**

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. Any athlete suspected of a concussion must be removed from play and seek medical attention. Coaches should not try to judge the severity of the injury. The athlete must be kept out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and is OK to return to play. All coaches must follow the protocol for concussions given to them upon hire.

## **CONFIDENTIALITY**

While the information given by the student to school personnel may be very personal, students should be advised that school personnel do not have “privileged communication” rights. School personnel keep as much information confidential as possible; however, a teacher, nurse or school counselor is required to disclose information in regards to the health or safety of a student to an administrator, nurse, and/or parents.

## **CORI**

All staff members and volunteers (including parent volunteers) must have a valid CORI on file in order to be at PMA. Anyone who lives outside of Massachusetts, PMA must obtain a criminal background check from the state in which he/she lives. All new staff members must participate in the Protecting God’s Children program.

## **CRISIS PLANS**

All staff have crisis plans on file in case of accident, fire, disease, or situations that threaten students and/or teachers.

**Lockdown** is a procedure used when there is an immediate and imminent threat to the school building population. School staff and students are secured in the room they are currently in and no one is allowed to leave until the situation has been resolved. Outside classes move to a safe area, not necessarily into the school building. As part of the planning procedures, a safe evacuation area is identified and communicated ahead of time for those staff and students who may be outside the school building and on school grounds when a lockdown is declared.

PMA also trains staff and students to consider **ALICE** during a dangerous situation. **ALICE** training gives options other than remaining in a locked room.

### **ALICE: (Alert, Lockdown, Inform, Counter, Evacuate)**

**ALERT. Use Plain and Specific Language. Avoid code words.**

The purpose of the ALERT is to inform as many people as possible within the danger zone that a potentially life-threatening situation exist. This can be facilitated via many different methods (PA, text, email, personal senses). No matter the method of delivery, the objective should be a conveyance of information, not an issuance of a command. The use of plain language, delivered through as many delivery channels as possible, is the best way to ensure awareness within the danger zone. It will empower as many as possible with the ability to make an informed decision as to their best option that will maximize survival chances.

**LOCKDOWN. Barricade the Room. Silence Mobile Devices. Prepare to EVACUATE COUNTER if needed.**

The ALICE training program explains scenarios where lockdown is the preferable option and dispels myths about traditional lockdown procedures. Relying on lockdown alone will significantly endanger occupants in a violent intruder situation. Traditional lockdown creates readily identifiable targets and makes a shooter’s mission easier, whether that is a hospital, a school, a church, or a business. ALICE trainers instruct on practical techniques for how to better barricade a room, what to do with mobile and electronic devices, how and when to communicate with police, and how to use your time in lockdown to prepare to use other strategies (i.e. Counter or Evacuate) that might come into play should the active shooter gain entrance.

### **INFORM. Communicate the Shooters Location in Real Time**

Inform is a continuation of Alert and uses any means necessary to pass on real-time information. Video surveillance, 911 calls and PA announcements are just a few of the channels that may be used by school employees, safety officers, and other personnel. Information should always be clear and direct and, as much as possible, communicate the whereabouts of the intruder. Effective information can keep the shooter off balance, giving people in the school more time to further lockdown, or evacuate to safety. Active shooters work alone 98% of the time. If the shooter is known to be in an isolated section of a building, occupants in other wards can safely evacuate while those in direct danger can lockdown and prepare to counter. Knowledge is the key to survival.

### **COUNTER. Create Noise, Movement, Distance and Distraction with the intent of Reducing the Shooters Ability to Shoot Accurately.**

ALICE Training does not believe that actively confronting a violent intruder is the best method for ensuring the safety of all involved, whether in a school, a hospital, a business, or a church. Counter focuses on actions that create noise, movement, distance and distraction with the intent of reducing the shooter's ability to shoot accurately. Creating a dynamic environment decreases the shooter's chance of hitting a target and can provide the precious seconds needed in order to evacuate. Counter is about survival, the last barrier between a shooter and a potential victim, and anything a person can do to gain control is acceptable. It's the opposite of being a sitting duck, and every action taken is a step towards survival.

### **EVACUATE. When safe to do so, remove yourself from the danger zone**

Our human instinct in the face of danger is to remove ourselves from that threat. ALICE training provides techniques for safer and more strategic evacuations. An active shooter in a building presents a situation like no other. Evacuating to a safe area takes people out of harm's way and hopefully prevents civilians from having to come into any contact with the shooter. By evacuating, citizens can avoid having to employ the techniques learned in ALICE training for how best to counter an active shooter.

### **CHROMEBOOKS / iPads/LAPTOPS**

iPads/Chromebooks/laptops (I/C/L) brought to school are used for academic work only. Academic work is defined as research or work related to a specific classroom assignment. If asked, a student must identify the assignment related to the (I/C/L) activity. (I/C/L) are intended for use at school each day. In addition to teacher expectations for (I/C/L) use, school messages, announcements, calendars and schedules may be accessed using the (I/C/L). Students are responsible for bringing their full charged (I/C/L) to all classes. Students and parents must have a signed Responsible Use Policy on file.

2. Once students enter the dance they will not be allowed to leave and return.

7. Hats or hoods may not be worn by males or females.
8. Students should avoid bringing valuables/electronics. The school cannot be responsible for them.

The following infractions may result in detention:

- Use of cell phones during school hours.

- Unprepared for class (without books or homework)

If behavior is repeated other disciplinary actions will take place. A student who misses detention more than once may receive a call home to parents from the Assistant Principal. The Assistant Principal reserves the right to adjust the discipline consequence based on the nature of the infraction.

***Detentions are never convenient for the student, the teacher or the parent. This inconvenience, unfortunately, becomes a learning opportunity. Detention will not be excused for inconvenience sake.***

## **DISRUPTIVE BEHAVIOR**

Disruptive behavior is defined as inappropriate behavior that interferes or prevents the smooth operation of any activity. Such behavior might occur in a classroom, study, hallway, cafeteria, assembly, etc. A faculty or staff member observing this behavior controls and/or removes the offending student. A student removed from an activity is subject to appropriate detention and/or punishment. If a student is asked to leave a classroom or area of the school premises, due to disruptive behavior, he/she must go directly to the main office. Appropriate disciplinary action will be taken. An administrator and/or the teacher will notify the parents.

Any student involved in a “prank” or inappropriate behavior directed toward another student, teacher, an administrator, or the school is subjected to suspension, removal from activities, or expulsion. *Students with a disciplinary record may not represent the senior class during graduation ceremonies.*

## **DIVERSITY**

With a growing international population, Presentation of Mary Academy represents a variety of languages and cultures. In order to foster an environment of learning and inclusion, one common language, English, is the “working language” of the school. It is our intention to support every student who has entered our school and who is multi lingual. Our expectations are to help each student become as fluent in English as possible.

## **DRESS CODE**

## DRUG, TOBACCO AND ALCOHOL POLICY

Presentation of Mary Academy has established a drug/alcohol abuse policy to provide a drug and alcohol free student environment. The school continues to provide, without penalties, assistance to any student voluntarily seeking drug and alcohol treatment or advice. Refusal of parents to cooperate with school authorities may result in a C.H.I.N.S. of (Child in Need of Services) petition being filed in the Juvenile Court of the Lawrence District Court alleging (as the case may require) that the child lacks the proper guidance.

Smoking, vaping, or the use of tobacco is not permitted on school grounds, including the parking lots (in or out of cars parked on school grounds), or at any school-sponsored event. Violation of this rule will result in a suspension.

Any student who uses, possesses, distributes, or is under the influence of illegal drugs or alcohol in school buildings, upon school property, or at school sponsored events is suspended from school for eight school days or subject to expulsion. Following any instance of suspension, it is important that the Head of School be assured by both the student and his/her parents through adequate means that positive steps are taken in an attempt to find an appropriate solution to the particular problems which were the basis for the suspension. The student and parents are given every opportunity to demonstrate to the Head of School that an honest attempt has been made to deal constructively with the drug-related problems. At the end of the suspension, the Head of School will determine if returning to school is in everyone’s best interest.

Suspended students lose credit for all schoolwork missed, including examinations, and are not allowed to make up the lost credits.

***MIAA – student athletes should understand that violation of drugs and alcohol policies, including post on social media that show the violation are subject to MIAA rules.***

### **Search of Students and School Property--All parents and students must understand that:**

1. The Head of School, Assistant Principal or designee may conduct a search of a student on school premises if he/she has reason or cause to believe that the student has in his/her possession any item, the possession of which constitutes a criminal offense under the laws of the Commonwealth of Massachusetts. This search is made in the presence of a third party.
2. The Head of School, Assistant Principal, or designee may conduct a search of the physical plant of the school and every appurtenance thereof, including student lockers. All cases of actual possession, use, sale, and distribution of alcohol, or a controlled substance in school, upon school property, or at school-sponsored events are reported to the Chief of Police for appropriate action.

### **Students Seeking Voluntary Drug/Alcohol Assistance:**

The school provides, without penalties, assistance to any student voluntarily seeking drug and alcohol treatment or advice. If a student voluntarily seeks information or assistance about illegal substance use, and has not been apprehended for any such violation by school authorities, the staff takes the following action:

1. Immediately consider the best possible means of helping the student, including the use of members of the school staff, pupil personnel services, team conferences, or private and community resources.
2. Contact parents as soon as it is considered to be appropriate. If the student's explanation satisfies the Head of School that the student has not violated the drug/alcohol abuse laws, the incident should be closed without penalty.

### **EARPHONES, EARBUDS, HEADPHONES**

Students may use these devices during study only. They should NEVER be in a student's ears in the halls, cafeterias, etc.

### **EXAMS – Midterms and Finals**

All students are required to take Mid-Term exams during the assigned dates. Mid-Term and final exams count for 10% of a student's final average in each subject; therefore, vacations **MUST NOT** be scheduled during these assigned times.

**Underclassmen** may be exempt from final exams if they achieve the following: 90% each quarter and midterm. In addition, they must not have been absent from a particular class more than 3 times, nor tardy to school more than 4 times during the 4th quarter. AP students are not required to take a final exam, unless they fail the midterm. AP students who have excessive tardies or absences must take the final exam. They may opt to take the final exam if they wish.

All **seniors** are exempt from taking a final examination in a subject if they meet these guidelines: (1) They have an average of at least **85%** for each quarter and on the mid-term in all levels (college prep, honors). (2) They have not been absent from a particular class more than once or tardy to school in the fourth quarter more than twice. AP students are not required to take a final exam as long as they take the AP exam. AP students are not required to take a final exam, unless they fail the midterm. AP students who have excessive tardies or absences must take the final exam. They may opt to take the final exam if they wish.

*Students who are exempt have the option of taking a final exam. Students who do not take a final exam will have their mid-term count as 10% of their grade. Some subjects have mandatory final exams. All one semester and one-quarter courses have an obligatory final.*

**Any student who is absent due to a documented illness for a mid-term or a final has a minimum of three (3) days to make arrangements with the Assistant Principal for makeups. Exams will not be rearranged for students who take vacations during exam weeks. Students who miss exams are subject to failure. Students should not request changes to the exam schedule.**

### **EXPULSION AND SUSPENSION**

Actions subject to **expulsion** are:

**In School Suspension.** If a student commits a violation of the school code that requires an “in school suspension” it is handled in the following manner: The student in question is assigned to a room that is staffed. The student studies or performs all the tasks of the classes missed while in suspension. The student’s work is returned to his/her respective teachers with a maximum grade of 64% being assigned its value. Forms outlining the offense must be signed by the student(s), his/her parent(s)/guardian, and a school administrator.

**Out of School Suspensions. When a student commits a violation of the school code that requires an out of school suspension it is handled in the following manner:**

1. Students suspended out of the school are restricted from school grounds and may not participate in any school functions.
2. Students lose make-up privileges and receive a “0” for the days suspended.
3. Forms outlining the offense must be signed by the student, his/her parent/guardian, and a school administrator.
4. To be re-admitted a parent/guardian, Assistant Principal conference is required.

## **FAILURES**

A failure in a required course must be made up before promotion to the next grade. A failure in an elective course need not be made up if the student has sufficient credits. A student with a failure in a required course must make up the credit for that course by going to an approved summer school, Brick and Mortar or online program, unless the school recommends another course of action. A maximum of 3 summer courses may be taken during the student's four years of high school. Anyone who fails more than three courses may be asked to leave. Final decisions rest with the Head of School.

## **FALSE FIRE ALARMS; DIALING 911 FOR A FALSE EMERGENCY**

Any student who is responsible for causing a false fire alarm or dialing 911 will be subject to an in school suspension or expulsion and referred to the Methuen Police and Fire Departments for possible legal action. Said student and his/her parents also are required to meet with the Head of School before he/she can return to school. Monetary consequences could be incurred from the fire and/or police departments.

## **FIELD TRIPS**

A field trip is a learning experience and should be handled as such. Students will be given a parental/guardian consent form, which must be returned prior to the trip. No student will be allowed to attend the field trip without this written permission slip. Phone calls, facsimiles, or email permissions are not acceptable. While on the trip, the students are representing the Academy and should behave in an appropriate manner. All school rules apply, even on an overnight trip.

## **FIGHTING**

Fighting within the school grounds or at a school sponsored activity results in an out of school suspension for the parties involved. This suspension can be from one (1) to three (3) days at the discretion of the Administration and requires a hearing with the parents, student, and Administration.

## **FIREARMS**

Any student who brings a gun to school will be expelled.

## **FIRE DRILLS**

Fire drills are coordinated with the Methuen Fire Department to provide the students with preparation in case of an actual emergency. Fire drill instructions are posted in each room and students will be made aware of and reminded of safe escape routes from the various room locations. It is important that students follow these

instructions and leave the building quickly and in silence. Students are to line up in single file with their homeroom. These lines must be silent so that attendance can be taken and instructions heard.

### **FUND-RAISERS**

Major fund-raisers are coordinated through the Advancement Office. There are a limited number of in school fund-raisers. The Parent Guild is responsible for sponsoring fund-raisers that support student programs. Clubs, organizations, and classes are granted permission for fundraising from the Head of School.

### **GRADING SYSTEM**

Passing grades range from 65-100. Each quarter is 22.5% of the final average. Mid-Term and final exams constitute a total of 5% of the student's final average in the course.

**GPA is based upon a weighted 4.0 scale and six grade appropriate classes per year. Points are awarded according to the difficulty level of the course: (Honors +.5, Advanced Placement +1.0)**

### **GRADUATION REQUIREMENTS**

### **GUIDANCE & COUNSELING SERVICES**

#### **Appointments**

Requests to see a Counselor are made by the student to his/her Counselor or through the Main Office. Visits are scheduled during the student's study period. The Counselor is also available to meet with a student prior to the school day, during the lunch period or after school. The Counselor may request meetings with students by sending an appointment slip to the homeroom/study teacher. Parents may call the guidance office to arrange conferences with the Counselor.

#### **College Admissions Process**

The Counselor assists students in selecting colleges that best meet their needs and interests. Students should research schools online, talk with college admissions representatives (who visit the guidance office during the lunch period from September through November), and visit the colleges where they plan to apply and/or attend. There will also be an information night in the spring for junior parents on the college admissions process. Juniors and seniors will be made aware of local college fairs as they occur throughout the year. The fairs provide students with the opportunity to meet with college admissions representatives and to gather admissions information.

It is the responsibility of the student to obtain applications from individual colleges and to be aware of deadlines required by each college. Students are responsible for sending their portion of their college applications themselves by the required deadline. Students request transcripts, recommendations, and other pertinent information to be sent directly from the guidance office. Transcript request forms are available in the guidance office. A minimum of 10 school days is required to process transcripts. The Counselor supplies the necessary information and forwards the student's transcript and recommendations.

## **HARRASSMENT/HAZING**

Presentation of Mary Academy is committed to providing a safe educational environment for its students. Harassment from administrators, teachers, other school employees and students is completely unacceptable and will not be tolerated in any form. Any student or teacher who feels she/he is a victim of "harassment/hazing" should report the incident to the Head of School immediately. Hazing is considered bullying; therefore, further action falls under the Bullying Policy.

All incoming freshmen and juniors must submit evidence of a recent physical examination prior to the start of the school year. All other students wishing to participate in interscholastic sports must have on file evidence of a recent physical examination. All health records are given to seniors when they graduate.

## **HOMEWORK**

Homework is viewed as a supplement to what has been taught in the classroom. Homework is assigned to help the student become more self-reliant, learn to work independently, improve the skills that have been taught in class, and to complete certain projects that require individual and creative effort.

Parents and students should expect daily home assignments. Students involved in honors and/or advanced placement courses should expect to have additional research and writing assignments. Students who have study periods should use this time to begin working on their assignments. All students are responsible for completing their assignments. Parents and students should ensure that employment and/or activities do not interfere with the amount of time allotted daily for homework. The amount of time students in the same grade spend doing homework may vary depending on the courses. The following table provides guidelines for the amount of time a student should spend daily on his/her homework: Grade 9 & 10 2 - 2 1/2 hours Grade 11 & 12 3 - 4 hours.

## **HONOR SOCIETIES**

### **National Honor Society**

The National Honor Society of Presentation of Mary Academy, Madonna Chapter, is a duly chartered and affiliated chapter of this prestigious national organization. Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, leadership, service, and character. Standards for selection are established by the National Office of NHS and have been revised to meet our local chapter needs. Students are selected to be members by a faculty council, appointed by the Head of School, which bestows this honor upon qualified students on behalf of the faculty of our school each fall. Students in the 11<sup>th</sup>, or 12<sup>th</sup> grades are eligible for membership. For the scholarship criterion, a student must have a cumulative honor point average of 6.63 or better. Students must have completed at least 2 years at PMA before being inducted. Transfers will be considered if transferring from a comparable American high school. Those students who meet this criterion are invited to complete a student Information packet that provides the faculty council with information regarding the candidate's leadership and service. Candidates must be able to clearly demonstrate on-going examples of leadership and service.

To evaluate a candidate's character, the faculty council uses two forms of input: first, members of the faculty are solicited for input regarding their professional reflections on a candidate's character and leadership; second, candidates are asked to send in a recommendation. These forms and the Student Information Packets are carefully reviewed by the faculty council to determine membership. A majority vote of the council is necessary for selection. Candidates are notified regarding selection. Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance in all four criteria (or better) that led to their selection. This includes a 6.63 cumulative honor point or better. This obligation includes regular attendance at chapter meetings held during the school year, and participation in the chapter service project(s) as well as an individual project. Students or parents who have questions regarding the selection process or membership obligations can contact the chapter advisor.

An incomplete may be given at a teacher's discretion, as a quarter grade, for a student who has missed assignments due to extenuating circumstances. All missing work must be made up within the first two weeks of the following quarter in order to receive credit for the courses. Any time longer than that must be approved by the Head of School and School Counselor. A student will not graduate from PMA with incomplete grades.

## **INDIVIDUAL EDUCATION PLAN (IEP) AND 504 PLANS**

PMA is a Catholic, private school and as such is free to accept or not accept any student at its discretion. PMA does not provide Special Education Services, therefore the school does not accept any service prescribed in any Individual Education Plan (IEP) or 504 Plan, unless reviewed and authorized by the Head of School. No accommodation will occur unless granted in writing by the Head of School through the student's School Counselor. Parents must assume the responsibility to contact the public school in their town for information evaluation of their son/daughter if believed Special Education needs exist.

## **INTERNET**

The Internet is a public forum with unrestricted access. The school restricts permission for the posting of information related to the school, our staff, and students on the internet. No student is permitted to use images of the school, school staff, or other students in any form on the internet, including Facebook, Instagram, etc. or any form of electronic communication without specific written permission from the administration. The posting of social media or any such information on any website, bulletin board, chat room, e-mail, or other messaging system without permission, or the posting or transmission of images or information in any format related to the school, staff, or students that are defamatory, scurrilous, pornographic, or which could be construed as threatening or impugning the character of another person is prohibited. Any person involved in the posting or transmission of such material will be subject to suspension and possible expulsion.

## **LEVELS**

“Level” represents the difficulty of the course. Corresponding to this system is an “Honor Points” system, whereby a certain number of “Honor Points” is awarded for each academic average on each level.

### ***Level 3 - College Preparatory***

Courses offered at Level 3 are designed to prepare the student for entrance into both two and four year colleges. The college prep level courses provide the minimum difficulty level of the 3 levels offered at PMA and are open to all students.

### ***Level 4 - Honors***

Honors courses are offered for above average students who wish to pursue detailed and in-depth studies. Requirements for entrance into honors courses, such as minimum grade point averages in prerequisite courses, are explained in the course descriptions.

### ***Level 5 - Advanced Placement***

Advanced Placement courses are college level courses for the above average and highly motivated student. All students in AP courses **must take the required national exam at the end of the school year**. Scores are sent to the colleges of the student's choice. The college then determines how much credit, if any, toward a freshman course the student will receive. The approximate cost for this exam is \$90.

## LIBRARY/MEDIA CENTER

The Library is for student, teacher, and staff use. Students visiting the Library are expected to be doing assignments or quietly studying. In order to provide an atmosphere conducive to completing these assignments, student cooperation is expected in keeping the library quiet. The computers located in the Library may be used by students at the discretion of the staff member on duty.

The software and hardware of any computer in PMA should not be altered in any way. Installation of any software or hardware without administrative approval is prohibited. Licensed software provided and approved by PMA is the only authorized software to be used. In some cases, students may be instructed to use the school file server for storage of projects and other school related work.

***Students may NOT check personal and social media sites on any computer. All students must sign the Responsible Use Contract. Inappropriate use of the computers will result in severe disciplinary action.***

## LOCKERS

Lockers are assigned to students at the start of the school year. Students are totally responsible for items in their lockers. Locks are mandatory. The school is not responsible for items taken from unlocked lockers. **LOCKERS AND LOCKS ARE THE PROPERTY OF PRESENTATION OF MARY ACADEMY AND MAY BE OPENED OR INSPECTED BY THE HEAD OF SCHOOL OR ANY AUTHORIZED STAFF MEMBER AT ANY TIME.** Homeroom teachers will make periodic checks to ensure that lockers are kept clean. It is the student's responsibility to keep the locker clean. Students should refrain from storing food or drinks inside lockers overnight. Posters, signs or photos of an "offensive nature" should not be hung inside or outside of the locker. No student may "switch" or share lockers. Each student is assigned and given a lock for their locker. Failure to return the lock at the end of the school year will result in a \$5.00 fee.

## MEDICATION

**No student is allowed to carry medication of any kind, prescription or otherwise (Tylenol, Advil, etc).** All medications must be left with the nurse. Students refusing or neglecting to follow these procedures could be in violation of the school's Drug Policy and subject to disciplinary guidelines. If a physician requires a student to take prescription medication during the day, an arrangement with the nurse's office is required. (Forms are available on the school's website) If a student needs non-prescription medication during school hours, forms granting parental permission must be on file in the nurse's office. Medicine, prescription or non-prescription, can only be administered by the nurse.

## NON-CUSTODIAL PARENT

This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

## PASSES FOR LEAVING CLASS

A student should not be allowed to leave a classroom, except for a medical emergency, without a hall pass, or without signing out. No student is allowed to walk through the halls while classes are in session without a hallway pass. The pass must be signed by a staff member and by the person receiving the pass. **Students should return the pass to the teacher who originally issued it before class ends or before proceeding to the next class.**

## PERFECT ATTENDANCE

To achieve perfect attendance, a student may not miss any time in school **excused or unexcused, including tardies and dismissals.** Exceptions are made for school-sponsored activities. The final decision rests with the Administration.

## PHONE CALLS

If a student needs to make a call of an **emergency nature**, he/she obtains a pass and goes to the office. Parents who need to reach their son/daughter, **on emergency basis only**, during school hours, should leave messages with

the secretary and they will be passed on at an appropriate time. This should occur only rarely. *No calls or text should be made from a student's cell phone at any time during the school day.*

## **PHOTOGRAPHS**

Students should not take photos of staff or other students without permission of the individual.

**Publication of Photos online and for the media:** During the school year pictures and/or videos are taken for the school yearbook, school publications, website and social media. In addition, in the course of updating and maintaining the PMA school website, we include photos/images of students at the various events/activities, and/or in the classroom and other school related situations. These photos may be clear enough for parents, to recognize their son/daughter; however, it is the school's policy not to identify any student by name or grade as a caption for the photo. The photos will be captioned in general terms. Parents are asked to sign a permission slip at the beginning of the school year to allow the use of photos/images of their son or daughter.

## **PREGNANCY**

The student must report the pregnancy to the school counselor or the Head of School as soon as she becomes aware of the pregnancy. If the involved student will suffer no ill effects from school attendance, as certified by bona fide medical report, she shall be allowed to remain in school until such time as it is necessary for her to withdraw. The Head of School shall make the final determination of the time for the student to withdraw from school after considering the advice of the counselor and the student's physician. The student will be required to furnish to the school periodic reports of health status as requested by the Head of School. While pregnant and attending classes, the student will forfeit her privileges to represent the school in any capacity, and participate in any activities outside the classroom is at the discretion of the administration. Following the birth of the baby, a student may apply for re-admission, after furnishing a written statement from her physician certifying that she is physically able to return to school.

## **PRELIMINARY SCHOLASTIC ASSESSMENT TEST/NATIONAL MERIT SCHOLARSHIP QUALIFYING TEST (PSAT)**

The Preliminary Scholastic Assessment Test and the National Merit Scholarship Qualifying Test are combined into one test. The PSAT offers students the opportunity to take a timed test made up of questions similar to the SAT. Test results help students to evaluate their ability to do college level work and guide them in their college plans. Students also compete for scholarships awarded through the National Merit Scholarship program. The PSAT will be administered to sophomores and juniors at PMA every October.

## **RECOMMENDATIONS**

Students will choose two faculty members to write their college recommendations in spring of their junior year. These requests are coordinated by the guidance office. Teachers submit the completed recommendations to the guidance office by September. Specific requests may be made during a student's senior year. Recommendations are considered confidential property of the writer.

## **REPORT CARDS**

Report cards are mailed to parents at the end of each quarter.

## **RESTROOMS**

Faculty restrooms are reserved for teachers and staff members only.

## **RETREATS**

Retreats are a part of our Theology curriculum; therefore, day retreats are mandatory.

## **SCHOLARSHIPS, AWARDS & CONTESTS**

Local scholarship information and applications are coordinated through the guidance office. Students are encouraged to review scholarship information on a regular basis through Naviance.

## SCHOOL CLOSINGS

**In the case of inclement weather, (snow, ice, etc.) an official announcement of school closings, delays or dismissals will be posted on TV stations and through the school's emergency messaging system.**

***PMA makes its own decisions and does not follow the City of Methuen.***

## SCHOOL PROVIDED EMAIL ACCOUNT

A school provided email account shall be used solely for school related purposes. Students may use this account to communicate with staff, teachers, and other students, so long as the topic and content of the email, as well as any attachments, are related to school activities, assignments, projects, or other school matters.

A PMA provided email account is not the personal property of the students. The school reserves the right to monitor and/or read the contents of any email message or attachment and search for inappropriate language or information, threatening, obnoxious or demeaning comments, evidence of "bullying" or any activity that is illegal or that violates PMA policies. Any messages and/or attachments that indicate or describe illegal activity will be reported to law enforcement immediately.

Students shall not forward or participate in the creation of chain mail or flame mail and must immediately report any message deemed inappropriate to a teacher or staff member. Any received message that makes the student uncomfortable must be reported immediately to a teacher or staff member. Students are responsible for marking any spam or junk mail as such, so that the email filters can act on similar messages in the future. Students may use a school-provided email account during the school day for the purpose of saving documents created at school, and for the purpose of retrieving documents created while away from school, provided the documents are related to school work and/or activities.

Other personal email accounts should not be used to communicate with school staff or teachers.

## SENIOR PRIVILEGES

If a senior has a study period first class in the morning, he/she may come in five (5) minutes before the start of the second period of the day. Upon arrival he/she must check in at the main office.

If he/she has a study period immediately preceding the 2:00 p.m. dismissal he/she may be dismissed. The student must report to the main office for dismissal. A parental consent form is needed for these privileges. These privileges are not automatic. **The Assistant Principal decides when they begin. Privileges are not "rights" and therefore, may be taken away.**

**These privileges are suspended on an individual basis for the following reasons:**

1. Any student who receives a negative progress report loses privileges until the end of the quarter. All privileges will resume at the start of the next quarter providing the student has passed. In the event that a student fails a class, he/she may not have privileges unless he/she is passing at midpoint. **Students should not approach teachers about losing privileges.**
2. The skipping of assigned detentions results in a loss of privileges until the detentions are made up. **All these "privileges" are subject to on-going review by the Assistant Principal. She determines if they need to be modified, renewed, or revoked either on an individual or group basis.**
3. Any senior caught participating in pranks or skip days runs the risk of suspension from school and/or senior activities.

## SPIRIT STORE

The store sells supplies and takes orders for jackets, sweaters, shirts, and other items with the school logo. School groups may **ONLY** purchase items to be worn with the school logo from the bookstore. Outside vendors may not be used.

## STEALING

All incidents of stealing from lockers, desks, etc., must be immediately reported to the Assistant Principal.

Any student found guilty of stealing from a student, teacher, or the school is suspended out of school *from one* (1) to three (3) days, unless the severity of the crime warrants expulsion. This is at the discretion of the Head of School

and requires a hearing with the Head of School, Assistant Principal, student, and parents and a return of or compensation for the items taken.

## **STUDENT LEADERS**

Student involvement in all aspects of school life is vital to our mission. Therefore it is important for student's to hold leadership roles. These roles make them mentors to their peers.

Student elections take place according to the school calendar. Student Council elections occur first, then class officers, followed by all other groups.

1. Anyone who is President of Student Council, NHS or his/her class may not hold any other position.
2. Anyone who is President of the remaining organizations may hold an office other than President in another organization.
3. No one may be elected to more than two positions school wide.
4. Students may not be eligible to run for office if there is a disciplinary history or poor academic performance. Officers may be removed if they do not uphold school policies or demonstrate conduct unbecoming of leader. In addition, an officer may be removed if he/she is not passing a course.

## **STUDENT RECORDS**

**Transcripts:** Transcripts for each student are kept on file for 60 years after a student graduates, transfers or withdraws from PMA.

**Student Cumulative Files:** The student file is a temporary file that contains the majority of the information maintained by the school, (including grammar school) about the student. This includes standardized test results, school sponsored extra-curricular activities, copies of report cards, admissions applications, and core evaluations. The cumulative file is destroyed 5 years after the student graduates or leaves the school.

## **STUDENT SEARCHES**

When there is "reasonable suspicion" that a search will turn up evidence that a student has violated or is violating either the law or the rules of the school, a school official may search the student's person, belongings, locker, and automobile. In order to maintain a safe and secure school environment, the school reserves the right to use any and all legal means in the conduct of student searches.

## **STUDY**

Study halls at PMA are expected to provide students with an opportunity to pursue their studies and complete homework assignments in an appropriate atmosphere. Students are expected to bring assignments and materials with them for this purpose, thus avoiding the necessity of going to their lockers. **Students should not be talking during study.** If a student wishes to see the School Counselor during his/her study, a prior appointment should be made. A student may be excused from study to do individual research or to use a computer in the Library. Students should not be in the Library to avoid going to study. Students who have an authorized yellow hallway pass granting permission to be in a different location, must leave study hall 5 minutes before it ends to return the pass to the person who originated it.

## **SUMMER SCHOOL FOR CREDIT RECOVERY**

Summer school is not a substitute for the rigors of a full academic course; rather it provides a student who had difficulty during the year with an opportunity to gain credit towards promotion and/or graduation. A maximum of 2 courses may be made up through summer school in any one summer. Summer school courses must be taken at an approved Brick and Mortar or online program. A maximum of 3 credits towards graduation may be obtained through summer school work. Students who fail more than 3 courses may not be allowed to continue their education at PMA.

## **TARDINESS TO SCHOOL**

A student arriving at school after the designated time reports directly to the Main Office. Two unexcused tardies within a marking period results in a one hour office detention. Each subsequent tardy results in additional detentions of one hour. Continued tardiness will result in a conference with parents and possible suspension.

## **TESTING and GRADED ASSIGNMENTS**

PMA students will be tested on a regular basis.

Testing Policy: Students shall not have more than two (2) scheduled tests per day. The number of quizzes does not influence the test per day total. PMA teachers do their best to ensure no more than two (2) tests are scheduled per day. However, if by chance, a student is assigned more than two (2) tests, it is the responsibility of the student to inform the teacher or guidance at least one (1) day prior to the overload of tests.

## **TRANSFERS**

Any student who desires to leave PMA must notify Guidance of his/her intentions. A student will not be allowed to withdraw from school without the written authorization from his/her parents/guardian and the completion of an exit interview. School records cannot be sent to another school without a written authorization release form with the parent/guardian's signature. The release form must be from the school to which the student is transferring. In addition, if there are any outstanding bills, these must be paid before any records are sent.

## **TRANSPORTATION**

It is the responsibility of the parents to arrange transportation to and from school. Parents may make arrangements for car-pooling or the use of local bus transportation.

## **TRUANCY**

A student is considered truant when he/she is absent from school or leaves school without the permission of parent/guardian and/or Assistant Principal. A student found to be truant receives a one (1) day in school suspension. A student found to be truant a second time is suspended out of school for a period of 1 to 3 days. The student and his/her parents must meet with the Assistant Principal before re-instatement.

## **TUITION AND FEES**

Tuition and fees are subject to change each year based on the needs as specified in the school budget. The yearly non-refundable registration fee for freshmen, sophomores, juniors, and seniors is applied toward tuition for the following year. Please refer to the financial policies sent home from the business office.

Fees include items such as apps, AP testing, and graduation, to name a few.

## **TUITION ASSISTANCE**

Tuition assistance may be obtained by applying on-line at [factstuitionaid.com](http://factstuitionaid.com). Information is confidential and reviewed by an administrative committee of PMA. Funds are granted according to availability and need.

## **UNAUTHORIZED USE OF SCHOOL NAME**

No individual, without the express prior written authorization from the Head of School, may utilize the school's name, or identifying logo, for any inappropriate purpose, including but not limited to the use of the school name:

To open up any bank account

To solicit funds on behalf of the school

To collect money on behalf of the school

To sell products on behalf of the school

To schedule any field trip, vacation or other accommodations

To order any clothing items

To post on any website for any purpose including, but not limited to support of a particular social or Political agenda

**Any such unauthorized use of the school's name or identifying logo, if committed by a student may subject the student to disciplinary action, up to and including expulsion. Any such unauthorized use of the school's name or identifying logo, may result in legal action.**

## **VANDALISM**

Students involved in vandalism are required to reimburse the school for the materials and labor necessary to fix any damage they cause. If damage is less than \$100.00 the punishment is at the discretion of the administration and the damage must be rectified. If it is over \$100.00, the offending students may be taken to court at the discretion of the Head of School and suspended out of school and or expelled.

## **VIRTUAL HIGH SCHOOL**

PMA has a membership with Virtual High School (VHS). VHS offers high quality courses for high school students. Our membership instantly expands our elective course offerings. Election of a VHS course is offered to seniors who meet the appropriate criteria.

## **VISITORS**

Students who have demonstrated an interest in attending PMA are allowed to visit classes in session. Students should have contacted the admissions office for permission one day prior to their visit. Upon their arrival, visitors must sign-in with the main office to obtain a visitor's pass. Visitors must wear a visitor's badge and be accompanied to the classes by a student ambassador designated by the admission's office. **No one should be in the building without a pass.**

## **WEAPONS**

Any student found in possession of what the Administration deems a "dangerous weapon" is subject to expulsion.

## **HEAD OF SCHOOL'S RIGHT TO AMEND**

*The Head of School reserves the right to amend this handbook at any time. Disciplinary action is subject to the Head of School's discretion.*

## **NOTICE OF NONDISCRIMINATORY POLICY TO STUDENTS**

The nonpublic schools of the Archdiocese of Boston admit students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the schools. They do not discriminate on the basis of race, color, national, and ethnic origin in administration of education policies, admissions policies, scholarship, and loan programs, and in the hiring of school personnel.

APPROVED: Rose Maria Redman, Head of School
