Mission Statement

PMA provides a quality education that seeks to integrate Catholic beliefs and values with academic excellence, thus empowering young men and women to assume roles of leadership and service to family, church and community.

PMA, founded in 1958 by the Sisters of the Presentation of Mary, is a Catholic, private, co-educational, college preparatory high school for grades 9-12. The student body represents 30 local communities, three states and six countries. Students represent a variety of ethnic, religious, and socio-economic backgrounds. Admission to PMA is competitive and is based on a student's past academic record, performance on the High School Placement Exam, and teacher and administrator recommendations. PMA offers the unique opportunity of high quality academic programs, which cultivate the intellectual, emotional, creative, spiritual, physical, and aesthetic faculties of its students. Encouraging positive self-image, self-discipline, leadership, and academic excellence are worthy goals that lead to the service of God and the betterment of human kind.

Tuition

Tuition for the 2016-17 school year is \$11,300 and is inclusive of most fees. Exceptions include uniforms, iPad, and books.

Academic Program

All academic course offerings are college preparatory. The school year is divided into four quarters. Class periods are 47 minutes, with extended time for Advanced Placement classes. Each student must take a minimum of six courses per year. Students must earn a minimum of 25 credits to graduate. Honors and Advanced Placement courses are offered for qualified students.

Honors Courses include Introduction to Literature, English Literature, American Literature, Great Books, Algebra I/II, Geometry, Pre-Calculus, Calculus, Statistics, World History I, American History I/II, Biology, Chemistry, Physics, Anatomy & Physiology, Spanish I/II/III/IV, and French I/II/III/IV. Other honors classes may be taken on-line.

Advanced Placement Courses are offered in English Language and Composition, English Literature and Composition, Calculus AB, Calculus BC, Spanish Language, French Language, United States History, Biology, and Chemistry. Other AP classes may be taken on-line.

Benefits of a PMA Education

- Students can be themselves at PMA, to discover or to develop what makes them special, what makes them *them*, whether that's a passion for science, writing, athletics, math, language, theology, music, theatre, technology, or something wholly different. At PMA, you *can* be yourself.
- Prepared and poised for success, PMA students are consistently accepted into their first choice of college or university, with many offered significant scholarships.
- PMA faculty members are highly accomplished and expert educators, deeply experienced and caring mentors, and personally invested in each student maximizing his/her God-given potential while always maintaining a strong sense of self.
- PMA intentionally nurtures a college-like atmosphere where students can pursue academic excellence while experiencing independence, rewarding relationships with faculty, and an open and spirited exchange and exploration of ideas that prepares them for the approaching responsibilities of college and life.
