Summer Reading

Choose one (1)

The Jungle by Upton Sinclair... This will give a feeling of the industrial changes and immigrant discriminations in the last quarter of the 1800's and it will give you a little information about socialism.

The Grapes of Wrath by John Steinbeck ... This will give a graphic feeling of life during the Great Depression.

Summer WorkShop

The workshop will be held on Wednesday August 22 from 10-12:00 in my classroom. We use the workshop as a way to introduce the course and to go over 'expectations' for the year.
