Student Application for A. William Kochanczyk Memorial Scholarship (Present 10th grader)

Date: _____

Current Grade: _____

Name: _____

ACTIVITIES, INTERESTS AND EMPLOYMENT

1. List all **volunteer** activities:

Activity	Contact	Date	Hours

2. List any honors, prizes or scholarships:

Name	Description	Date

3. List your extracurricular activities (school and non-school):

Activity	Honors or Office Held	Date

Please answer the following question on a separate piece of paper. Your answers should be typed and doubled spaced.

This scholarship is given in the loving memory of A. William (Bill) Kochanczyk. Bill loved science and pursued careers at Boston's Museum of Science, Northeastern University, and Reading Public Schools. He has been described as brilliant; a literal encyclopedia with a built-in compass. Bill loved talking 'science' especially with his granddaughter. If you were to sit and talk with Bill, what would you tell him about your passion for science? What does science mean to you?

Application Deadline is April 25, 2019

I certify that all statements contained in this application are true and correct.
